

## Dissertation Research: How do species coexist under spatial variation across scales?

### Name

National Science Foundation

### Anticipated Amount

19 681.00

### Activity Type

Research Training

### Award Type

Grant

### Date

March 1, 2013 to July 31, 2014

### Award Number

006333-00001

### Sponsor Award Number

DEB-1310977

### Award Contacts

#### Name

Li,Yue

#### Title

Co-Investigator

#### Name

Chesson,Peter L

#### Title

Principal Investigator

#### Unit

Ecology & Evolutionary Biology
