

## Treatment Technologies for Reverse Osmosis and Nanofiltration Brines

### Name

Suez Environment (France)

### Anticipated Amount

431 772.00

### Activity Type

Research

### Award Type

Cooperative Agreement

### Date

September 5, 2012 to September 4, 2014

### Award Number

006005-00001

### Sponsor Award Number

-

### Award Contacts

#### Name

Snyder,Shane A

#### Title

Principal Investigator

#### Unit

Chemical & Environmental Engr
