

Mediation of plant-herbivore interactionsby foliar bacterial endophytes: A test using a native Pseudomonas-mustard-insect interaction system

Name

National Science Foundation

Anticipated Amount

150 000.00

Activity Type

Research

Award Type

Grant

Date

February 1, 2013 to January 28, 2015

Award Number

006291-00001

Sponsor Award Number

DEB-1256758

Award Contacts

Name

Whiteman, Noah K

Title

Principal Investigator

Unit

Ecology & Evolutionary Biology
