Names and titles:

The Division of Human Resources

Date::  
November 1, 2016

**Benefits Open Enrollment is underway right now and continues until 5 p.m. on Nov. 14.** During this time benefits-eligible employees may enroll in, cancel, or change their medical, dental, vision, supplemental life, short-term disability and flexible spending account elections.

If you do not wish to make any changes to your medical, dental, vision, short-term disability, and/or supplemental life insurance elections, they will automatically carry over into the 2017 plan year. However, **if you want to participate in the Healthcare and/or Dependent Care Flexible Spending Account plans in 2017** (your current Flexible Spending Account elections do not automatically carry over from year to year), and/or you want to make changes to your existing benefits, you will need to take action.

To access your enrollment, log in to **UAccess Employee** <sup>[1]</sup> and select Employee/Manager Self Service. On the UA Employee Main Homepage, select the Benefits Open Enrollment tile.
