Please join us for the 2019 Student Success Conference on Tuesday, February 5, 2019! The conference will be held in the Grand Ballroom at the Student Union Memorial Center from 8:30 am ? 5:00 pm.

The Objective

Open to University of Arizona faculty, staff and students, the purpose of the conference is to engage the campus community in a regular discussion of how we teach, guide, and support our students. The conference will highlight innovative approaches to student success across UA as well as spark new ideas and partnerships. Advancing a community that supports students’ growth mindset and sense of belonging is critical. Teaching students to become lifelong learners, build resiliency, and feel part of a community can only benefit them in their achievements and success.

In order to build this discussion, we will:

- Bring in local and national experts to talk about growth mindset and sense of belonging best practices
- Identify common approaches and communities on campus that already practice growth mindset and create a sense of belonging
- Continue the conversation with the campus community on a regular basis to keep focus

Anticipated Outcomes

- Bolster a campus-wide commitment to student achievement and success
- Provide tools for the campus community to help develop or increase a growth mindset
and sense of belonging on campus

- Identify ways to implement or expand best practices through collaboration

We hope to see you there!
