An Exemplary Team: Getting to Know the Women of Tech Launch Arizona

Date:
March 13, 2019

Throughout the month of March, we recognize Women’s History Month and the accomplishments and contributions of women throughout society. At Tech Launch Arizona, we’re taking this opportunity to celebrate the many women on our team. They hail from myriad academic backgrounds, cultures, countries and continents, and we’re proud to introduce them to you (if you don’t already know them, that is!)

Visit the Tech Launch Arizona website [1] to read their mini profiles.
