

Collaborative Research: REU Site: Integrative approach to landscape evolution in a monogenetic volcanic field. San Francisco volcanic field...

Name

National Science Foundation

Anticipated Amount

40 228.00

Activity Type

Research

Award Type

Grant

Date

September 1, 2012 to August 30, 2014

Award Number

005790-00001

Sponsor Award Number

EAR-1157038

Award Contacts

Name

DeLong, Stephen B

Title

Principal Investigator

Unit

Biosphere 2
