

## Investigating the role of actin filament regulation as a potential mechanism of dilated cardiomyopathy

### Name

American Heart Association, Incorporated

### Anticipated Amount

50 000.00

### Activity Type

Research Training

### Award Type

Fellowship

### Date

December 1, 2012 to December 1, 2014

### Award Number

006057-00001

### Sponsor Award Number

13PRE14340043

### Award Contacts

#### Name

Henderson,Christine A

#### Title

Principal Investigator

#### Name

Gregorio,Carol C

#### Title

Co-Investigator

#### Unit

Cellular & Molecular Medicine
