Measuring the Star-Formation Efficiency of Galaxies at z>1 with Sizes and SFRs from Hst Grism Spectroscopy

**Name**
Space Telescope Science Institute

**Anticipated Amount**
38 406.00

**Activity Type**
Research

**Award Type**
Grant

**Date**
April 1, 2012 to March 30, 2015

**Award Number**
005266-00001

**Sponsor Award Number**
HST-GO-12547.08-A

**Award Contacts**

**Name**
Weiner,Benjamin J

**Title**
Principal Investigator
Unit

Steward Observatory
