Information about 2020 University summer camps

University Communications
April 2020

Due to concerns about COVID-19, many University summer camps have been canceled or are still finalizing plans.

In order to provide timely information about this year’s summer camps, Lo Que Pasa is updating the 2019 summer camps roundup [1] with 2020 information as it becomes available.

If you don't see an update for a specific camp listed there, please reach out to the camp’s organizers. The 2019 summer camp roundup [1] has contact information as well as links to camp websites.

If your unit offers a summer camp and you have updates, please email Kyle Mittan at mittank@arizona.edu [2].

For the most updated information about the University’s response to the coronavirus pandemic, please visit the COVID-19 information page [3].
