Let us know about your summer camps

University Communications
February 2024

Each spring, Lo Que Pasa publishes a roundup of information about summer camps offered on campus and at other University locations. This year’s roundup will appear in the March 20 or April 3 issue.

If your unit is offering a camp this summer, please let us know by filling out this form [1].

We are looking for the following information:

- A detailed description of the camp and activities.
- Location information, including addresses for off-campus sites.
- Camper ages or grade levels.
- Dates and times the camp will run.
- Application deadlines.
- Cost, including any University employee discounts.

Please send any questions to andyober@arizona.edu [2].
