Photo Gallery: Showing Love for the UA

University Communications
February 2018

Valentine’s Day might have you thinking about someone you love, but we thought there was plenty of love worth sharing about the place we work - the UA.

But instead of asking you to tell us what you love most about the UA, we asked you to show us with photos. Needless to say, you did not disappoint.

We’ve compiled a gallery [1] complete with love notes of the pictures you shared. Though many scenes are easy to recognize, others were taken far from main campus, proving that love for the red and blue knows no bounds.
