

Reminder: Show Us What You Love About the UA

University Communications
February 2018

We have heard from a few readers, but we know there is lots more love out there.

We want you to show us some love for the UA. Literally.

If you like to eat your lunch in a favorite shady spot on campus, or there's a building you admire as you walk to your office every day, take a photo of it and send it to us. We'll gather up your submissions and share them in the Feb. 14 issue of *Lo Que Pasa*.

Here's what we need:

- A photo (not too small, please) in .jpeg or .png format.
- A brief description of what's in the photo.
- Your full name, title and unit.

Send your submission, with "Love UA" in the subject line, to uaatwork@email.arizona.edu ^[1].

Questions? Contact Kyle Mittan at mittank@email.arizona.edu ^[2] or 520-626-4407.
