See List of Recently Awarded Grants on UA@Work Website

University Communications
April 2019

A list of recently awarded grants and other sponsored projects is again available on the UA@Work [1] website.

Updated monthly, the list includes clinical trials, research grants, training grants and other sponsored activities.

For each project, the following information appears: title, anticipated amount, the principal investigator’s name and unit, and the name of the sponsor.

To see the list, visit uaatwork.arizona.edu/grants [2].

The list is provided by University Analytics and Institutional Research [3].
