Notice of Adoption of Policy
University Policy-Making Policy

The following action is proposed:

PERMANENT ADOPTION OF UNIVERSITY POLICY-MAKING POLICY

SUMMARY:
This policy establishes processes and procedures for developing, reviewing, approving, amending, and appealing University policies. Procedures were decoupled from the policy.

This policy enumerates the current practice for policy creation and revision.

The approved revisions to the interim policy updates the policy to permanent status.

The approved policy[1] is available on the University Policies website.
