Fall/Winter 2018 Living Healthy With Arthritis Lecture Series

Date:
August 16, 2018

The Living Healthy With Arthritis community outreach and public education program focuses on healthy lifestyle education and patient empowerment while living with arthritis. The lecture series features a wide range of topics utilizing both community speakers and medical and health professionals from the University of Arizona.

Monthly lectures are free and open to the public. Prior registration is required. Lectures are held from 6:00 – 7:15 p.m., in the DuVal Auditorium (Room 2600) at Banner ? University Medical Center Tucson, 1501 N. Campbell Ave., unless otherwise noted. The DuVal Auditorium is located on the hospital's main level, just right of the main lobby. Fall lectures are held on the first Wednesday of September, October, and November. For more information and to register for a lecture, please visit arthritis.arizona.edu/healthy-living/tucson-lecture-series, email livinghealthy@arthritis.arizona.edu or call (520) 626-5040. These programs are supported by the Susan and Saul Tobin Endowment for Research and Education in Rheumatology.
