Job Posting at College of Medicine

Date: July 20, 2017

The Department of Medicine has a current job opening for an Accountant, Senior. This position offers the opportunity to work in a busy, fast-paced and friendly environment, with varied duties, on a new team in the department's Business Office.

The Accountant, Senior, will be a critical team member in the Department of Medicine's Business Office. The overall objective of the office is to provide operational and financial management support to 18 divisions and more than 100 faculty members within the Department of Medicine (DOM). This position will play a pivotal role in managing faculty and staff funding plans, reviewing and approving financial transactions, monitoring budgets, reconciling data, producing financial reports, and managing accounts for assigned Divisions. This position requires great attention to detail, the ability to work in a fast-paced environment and a working knowledge of generally accepted accounting principles.
