NetID+ Required for Students Sept. 24-Oct. 8

To::
Faculty and Staff
Names and titles:
University Information Technology Services

Date::
September 12, 2018

Two-step authentication (NetID+) will be required for all UA students this fall:

**Graduate and Professional Students** ? Monday, September 24  
**Seniors and Juniors** - Monday, October 1  
**Sophomores and Freshmen** - Monday, October 8

If you instruct or work with students, please be aware they will need to enroll in NetID+ to log in to campus systems by the dates above.

A campus-wide communications campaign is underway for this effort. Please make your students aware of this requirement by announcing it in class, emailing your student list, and/or posting a flyer (link below) in your college/department. Additional communications resources are available in Box at: https://arizona.box.com/v/netid-plus-communications [1].

Academic technologies such as D2L and Panopto are currently exempt from the NetID+ requirement until **Friday, December 14**. Faculty and students should always be prepared to use NetID+ when logging in beginning Winter 2018.

Thank you for your part in keeping your personal and university data secure.
