Notice of Proposed Policy or Policy Revision:

INFORMATION SECURITY OFFICE POLICY SUITE

Pursuant to the authority established by Arizona Board of Regents Policy No. 1-201, et seq., and the University of Arizona's policy on University Policy-making, the following action is proposed:

PERMANENT ADOPTION OF 17 INTERIM POLICIES RELATING TO INFORMATION SECURITY

SUMMARY: The University is required to develop and maintain an Information Security Program to preserve the confidentiality, integrity, and availability of University Information Resources. This Policy Suite establishes a framework to ensure ongoing compliance with contractual, regulatory, and organizational obligations related to information security and positions the University to address future changes in the information security landscape and to meet the challenges of ever-changing regulations.

A copy of the proposed set of policies is available at the University Policies website at <http://policy.arizona.edu/information-technology/information-security-office-policy-suite> ^[1]. Members of the University community are invited to submit written comments using the feedback box on the Policy website. All comments must be received by close of business on April 22.
