Spring 2018 Living Healthy With Arthritis Lecture Series

Date:
February 21, 2018

The Living Healthy With Arthritis community outreach and public education program focuses on healthy lifestyle education and patient empowerment while living with arthritis. The lecture series features a wide range of topics from both community speakers and medical and health professionals from the University of Arizona.

Monthly lectures are free and open to the public. Prior registration is required. Lectures are held from 6:00 to 7:15 p.m. in the DuVal Auditorium at Banner ? University Medical Center Tucson, 1501 N. Campbell Ave. The DuVal Auditorium is located on the hospital's main level, just right of the main lobby. Lectures are held on the first Wednesday of March, April and May. For more information and to register for a lecture, please click here, email livinghealthy@arthritis.arizona.edu, or call (520) 626-5040. These programs are supported by the Susan and Saul Tobin Endowment for Research and Education in Rheumatology.
