

Traffic Information for Aug. 13-19 Residence Hall Move-In

To::
Campus Community
Names and titles:

Parking and Transportation Services

Date::
August 11, 2016

In preparation for residence hall move-in, Aug. 13, 15, 17-19, UA Parking & Transportation Services and Residence Life would like to advise the campus community of several temporary changes to traffic patterns and parking. We ask for your patience as several thousand new students move into their new homes.

Specific lots or sections of lots adjacent to the residence halls have been reserved for students and their parents for short-term unloading purposes. In addition, several street traffic patterns have been changed to one-way to better accommodate the increased traffic flow.

The campus has been divided into three move-in areas for the unloading process. Please [click here](#) ^[1] to view the full campus move-in map and information to the area which may affect you.

The following changes will accommodate students who will be moving into various residence halls across campus.

HISTORIC DISTRICT - Babcock, Coconino, Cochise, Gila, Manzanita-Mohave, Maricopa, Pima, Rawls/Eller Lodge, Yavapai and Yuma Residence Halls

- Effective Aug. 13, 15, 17-19, Olive Road will become a one-way street going northbound from 2nd St.
- Temporary timed parking will be located on Olive Road for the unloading of student's belongings.
- Space along 2nd St. is restricted from parking or unloading due to Streetcar travel.
- Please click here for a map of the Historic District Area

PARK DISTRICT - Arizona-Sonora, Arbol de Vida, Kaibab-Huachuca and Coronado

- Effective August 13, 15, 17-19, Tyndall Avenue will become a one-way street southbound between 4th Street and Park Avenue.
- The alley between Arizona and Kaibab Residence Halls will be closed at Tyndall.
- Right lane will be an "Unload and Go" lane, left lane will be directed to temporary timed parking located at several locations indicated on the parking maps.
- Please click here for a map of the Park District Area
