Date::
July 11, 2019

Please join Housing & Residential Life next month as we help nearly 7,000 students move into their new Arizona home! As a Move-In Crew volunteer, you'll help to unload cars, direct traffic, and answer general questions. Move-In Crew volunteers truly help new Wildcats feel at home as they arrive on campus.

We have three Move-In days, with various shifts, starting on Saturday, August 17. We'd appreciate if you would volunteer to work a shift and help us continue this wonderful Wildcat tradition! Sign up at: https://www.signupgenius.com/go/4090d4da8af2aa5f94-movein4.

We ask that you attend a one-hour training sessions in the Saguaro Room of El Portal (501 N. Highland Ave.) to learn more about Move-In Crew Volunteer duties and receive your Move-In Crew T-shirt.

Your help makes the overall Move-In experience more memorable for our newest Wildcats and their families! We couldn't do it without you.
