Vote for Arizona's Trellis CRM by March 17

Date::
February 27, 2020

The University of Arizona's Trellis CRM program is one of 3 finalists at this year's Salesforce.org Higher Ed Summit Awards!

Please take 10 seconds to vote [1] and help the University win national recognition in the category for "Excellence in Student Success."

Voting is open to the public until March 17th (limit one vote per person).

This nomination is a huge testament to the innovative and collaborative work taking place to support Arizona students. It's a shared achievement among the Advising Resource Center [2], Student Success & Retention Innovation [3], Office of Strategic Initiatives [4], Office of Instruction & Assessment [5], and many others who helped support the launch of Trellis Advise and Trellis Progress in 2019.

Please share this news broadly across your social channels, newsletters, and websites. Easy to share images and banners are available toward the bottom of our voter's landing page [1].

For more information about the University of Arizona's CRM initiative, visit the Trellis CRM website [6].
