Women's Health Forum

Date:  
March 18, 2019

University of Arizona employees are invited to a women's health forum, sponsored by the UA Commission on the Status of Women.

Martie van der Voort, a mental health clinician at Campus Health, will discuss mental health and the workplace, and representatives from the Ombuds Program and Life & Work Connections will provide information about campus services. Light snacks will be provided.

Please RSVP now [1] to join Thursday, March 28, from noon to 1 p.m. in the Thomas W. Keating Building, Room 103.

About the presenter:

Martie van der Voort provides triage and counseling services at UA Counseling & Psych Services. She works with all clients, especially those dealing with issues around eating and body image, trauma, addictions and behavioral compulsions, and gender and LGBT issues. She has worked in a variety of settings, including outpatient and community mental health, and holds a Level II EMDR certification.
