An Institutional Review Board responsible for human subjects research at The University of Arizona reviewed this research project and found it to be acceptable, according to applicable state and federal regulations and University policies designed to protect the rights and welfare of participants in research.

If your child qualifies, we can offer:
- An assessment of your child’s vocabulary
- Word learning treatment 2 times a week for 8 weeks AT NO COST TO YOU

Contact us for more information!
(520) 626-6885 or cecilm@email.arizona.edu

By age 2, children should:
- Say at least 50 words
- Begin to combine 2 words (“dada go”)

By age 3, children should:
- Have a word for almost everything
- Begin to combine 3 words (“mama eat apple”)

Toddler not talking?

- Is your child 3 or younger?
- Is your child late to talk?
- Does she use fewer words than she should?
- Does he need to improve his vocabulary?

We may be able to help!
