TRAVEL REDUCTION EMPLOYEE SURVEY
Survey collection period open through 11/14/2021

In conjunction with the Pima Association of Governments (PAG), The University of Arizona participates in the region’s annual Travel Reduction Program Employee Survey. 

We need your help reaching a 50% response rate from the University! To meet this goal, we are requesting every employee working on Main campus participate in this survey. This includes participation from employees that telecommute or telework. Survey responses are anonymous, your responses are important! The data from this survey is used to measure alternative mode usage across the region, helps evaluate transit routes, identify road projects, and plan for future infrastructure needs.

This survey also helps the University planning efforts and evaluate the effectiveness of our alternative transportation programs.

If you cannot fill this out online or have employees that do not have access to computers, please email Parking & Transportation Services for other arrangements at pts-parkinginformation@email.arizona.edu.

The survey is anonymous and takes a few minutes to complete.

Click Here to
Survey Ends Sunday, October 31

Thank you for your help!
