VOLUNTEERS NEEDED

The Arizona Center on Aging is conducting a research study to better understand issues related to the University of Arizona culture surrounding inclusivity of older adults, specifically organizational strengths, gaps, opportunities, and challenges in access, services and programming. Data will be collected through a one-time focus group interview with older staff/faculty. If you are 50 years or older and currently employed, attending, or retired from the University of Arizona you are invited to participate. The interview will occur using Zoom and will last no longer than 90 minutes.

The information you provide may help us create a more age-friendly environment for UA community members, including yourself. Participants will be voluntarily included in a drawing, and the winner will receive a $50 gift card. If you are interested in enrolling, log on to https://redcap.uahs.arizona.edu/surveys/?s=98ETDTNJK3JDWYRX for more information. For questions contact either Linda Phillips, PhD (lphillip@email.arizona.edu), Amanda Sokan, PhD (aesokan@arizona.edu), or Jake Harwood, PhD (jharwood@email.arizona.edu).
